

Fairline - Mirage 29

£ 28,000

Description

Fairline Mirage 29 is a good example of this very popular river or estuary cruiser. The accommodation for this centre cockpit Fairline Mirage is for five people, two berths in the forward cabin and two berths in the aft cabin, and large single in the saloon. This boat has a single inboard diesel Volvo Penta MD21 engine with shaft drive and skeg. The centre cockpit styling is popular on the inland waterways with easy side access from the cockpit, reasonable width decks and very comfortable accommodation. With good access around the outside of the boat and wide decks it makes walking around the boat an easy task. The boat is well fended to protect the hull when manoeuvring in close proximity to locks and moorings. There is forward facing seating for helm and crew and high bench seating on top of the rear cabin for guests to relax and enjoy the river. You will not be disappointed with this boat as it is well worth a viewing. * BSS 21-04-2026

Sales status: sold
