

Sheerline - 740 Harmony

£ 26,500

Description

This is a quality cruiser built by Sheerline and provides a perfect entry craft into river cruising. Fold-down screens and hood make this an ideal cruiser for inland waterways with restricted heights. The spacious aft cockpit features a large bench seat to the rear with twin adjustable helmsman's bucket seats. Despite its size, full standing headroom is a feature throughout this vessel. The forward cabin features two 'V' berths with an infill making a double. The galley and dinette area provides seating for four in comfort and converts into a wide single berth. A shower and toilet compartment (with both a holding tank and diverter valve) completes the high quality accommodation. * BSS 26-04-2027

Sales status: sold
