

Fairline - Mirage 29

£ 1

Description

This is a popular river cruiser on our river system. This design of boat offers an excellent compromise between interior and exterior accommodation with 5 berths in total. The large aft cockpit is light, bright and airy with both helmsman and companion seats along with additional cushioned seating across the aft of the cockpit. The internal volume of the craft allows 5 berths, with dinette (double) and bench seating (to create a single berth). The crafts beam allows the galley to be offset to the port side keeping the main thoroughfare of the cabin clear. The fold down canopy means that the air draught allows for a reduction in height from a solid roofed version down to approx 7ft 6inches. This allows for further cruising possibilities on our river system. On entering the cabin there is a galley area to port with sink unit, cooker, and fridge, and storage space both under and over the sink. Further into the main cabin there is a U shaped table dinette to the port, with the table dropping to form a double berth. There is a bench seat / single berth to starboard. Located to the port is a Toilet/Shower with sea toilet, shower tray, and vanity basin. Forward is a separate cabin with a V berth with two single berths and a partition door. Please note the rib tender shown in the photo's is NOT included in the sale.

Sales status: sold

Manufacturer: Fairline

Model: Mirage 29

Year built: 1978

Length: 8.78 m

Beam: 3.08 m

Condition: Used

Sale Type: Used
