

Senior Marine - 27 ft

£ 13,900

Description

This is a lovely spacious cruiser with almost 6' headroom, 2 cabins, separate heads, small galley and large cockpit. These cruisers were built by Hampshire based Senior Marine who built boats from 1963. This model was built from the mid 70's until the early 80's so she is one of the later builds. This is a lot of boat, having a spacious cockpit area, a separate main and forward cabin. The boat has twin diesel engines BMC 1.8 with shaft drive. The cockpit has both helm, crew and bench seating for guests or for captain and crew to just relax whilst moored on the river bank ... The forward cabin has "U" shaped dinette seating and table which drops to become a double bed, with bench seating opposite. Forward is a separate cabin with a V Berth. Storage lockers under the V berth and each side of the dinette area. To the rear of the cabin is a galley area with stainless steel sink and drainer, new 2 ring cooker with oven and grill, hot and cold water. The toilet has a vanity basin, shower, and sea toilet.

Sales status: sold
